INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Information Disclosure Statement (IDS) is submitted in accordance with 37 C.F.R. §§1.97 and 1.98, and it is requested that the information set forth in this statement and in the listed documents be considered during the pendency of the above-identified application, and any other application relying on the filing date of the above-identified application or cross-referencing it as a related application. This IDS should be considered, in accordance with 37 C.F.R. 1.97, as it is filed before the mailing date of a first office action on the merits

In accordance with 37 C.F.R. 1.98, this IDS includes a list (form PTO/SB/08) of all patents, publications, or other information submitted for consideration by the office. A copy of each document listed is attached, except for the U.S. patents and published U.S. patent

applications. In a Notice published on August 5, 2003 (1276 Official Gazette 55), the USPTO waived the requirement for submitting copies of each cited U.S. patent and U.S. patent application publication in an Information Disclosure Statement for all U.S. patent applications filed after June 30, 2003. The present application was filed after June 30, 2003. Pursuant to this Notice, copies of the U.S. patents and U.S. patent application publications cited in the accompanying PTO/SB/O8 are not submitted herewith.

In accordance with 37 C.F.R. 1.97(g) and (h), the filing of this IDS should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in §1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and applicants reserve the right to prove that the date of publication is in fact different.

No fee is believed to be due with this submission. If, however, any fee is due with this submission, the Commissioner is authorized to charge the fee up to \$2,000.00 to Deposit Account No. 04-0100.

Early and favorable consideration is earnestly solicited.

Respectfully submitted,
